FILE No. 165/18

Dear Sir Kantaraj Urs,

I am desired to refer to the correspondence ending with Major Chalmers' demi official letter No. 900, dated the 21st January 1919, to Mr. Banerji, regarding the issue of passports to certain scholarship holders.

5153 Your Chief Secretary has now applied for passports in favour of Messrs. B.L. Anappa and M.B. Tirunarayan, whom it is proposed to depute to America and England, respectively, to study electrical engineering. In this connection I am to invite a reference to Mr. Cobb's confidential demi official letter No. 282, dated the 15th January 1919, (a copy of which is enclosed for ready reference) to Mr. Banerji. As the instructions in regard to the issue of such passports are very explicit, I am desired by Mr. Cobb to ask that, in the present case (since the names of these students do not appear in the correspondence referred to in para above) and in all such cases in future, the Durbar will be so good as to give a definite assurance that, as regards character and antecedents, they can confidently recommend the grant of passports to the individuals in question they are asked.

Yours sincerely,

Sir K. Kantaraj Urs, C.S.I.,

Dewan of Mysore.
